Meet the Maintenance Dept!!!

Dynamic Duo

These two wear many hats. They work well independently but, when the two work together...BIG THINGS HAPPEN!!!

Jim Coad- has served the county for almost 20 years. Jim is shooting to be here as long as Carl. He is almost half-way there...only 21 more to go! Annex staff says Jim treats us like family and he has the county's best interest first and foremost. Outside of work Jim is a vocal super fan of Knox Redskin Basketball or any sport one of his 6 kids are playing

Mike Gerheart- started working for the county in 2015. Staff at courthouse describes Mike as the perfect fit and said he goes above and beyond. Hiring Mike was best decision Jim has made besides marrying Nancy. Outside of work Mike is fan of NJSP Bluejay sports where he has kept their books for 30 years. Mike is also a great reporter and recruiter!!
